

**The English Curriculum at Five Acres High School**

	<b>Autumn</b>	<b>Spring</b>	<b>Summer</b>
<b>Year 7</b>	Origins- an investigation of why stories are told through a selection of myths to explore the seven different story types.	Journeys - a new journey for January 2025. Travel with Rowan and the deerfolk as they navigate difficulties through landscapes which you might recognise, before arriving at their Utopia.	Love - an examination of the different types of love and how they make us feel, using a range of Shakespeare plays and poetry.
<b>Year 8</b>	Fear of the Unknown - What makes us feel afraid, explored through a range of gothic fiction and writing skills.	The Fragile Mind - a discovery of what can cause us stress and distress, revealed through a selection of extracts and poems	Identity - what makes us us and more importantly, what helps us to know right from wrong. These ideas are explored through the text 'To Kill A Mockingbird.'
<b>Year 9</b>	Conflict - Using the play "Journey's End" and selection of war poetry we explore how conflict affects the individual.	Dystopia - A dark look into a society which is ruled through a dictator, using close analysis of extracts to develop language analysis and writing skills	Rhetoric and Revolution - With an emphasis on great speeches through history, we identify component of successful rhetoric and apply them to speech writing
